EBPA EVENT SPONSORSHIP OPPORTUNITIES

The Employee Benefits Planning Association (EBPA) was founded over 40 years ago by agents in the Puget Sound region. Our goal at the EBPA is to provide a collective space to advance knowledge, share innovations, rethink models of delivery and advance the healthcare industry.

Our members and event attendees are representatives of the healthcare industry. We draw a mix of health plan employees, health insurance brokers and health care related businesses to our association.

EBPA Event Sponsorship Opportunities
